Meeting Feb 10th, 2007

BCMSAR will be meeting at the courthouse at 10am on February 10th. Training will cover "Callout Procedures".

I also want to share my Training goals for 2007. I'll be asking for ideas from the team to include in our 2007 Training Goals. Please be prepared to share your ideas.

Wearing your uniform to this meeting is optional but I want to let you know that John has invited area police agencies to "meet the team." He has also invited his supervisory staff, ESDA Director Kristine Donarski, Coroner Janice Wamhoff, LaSalle County Sheriff Tom Templeton and Putnam County Sheriff Kevin Doyle. This is our chance to show local police agencies what we are about.

Brian Boers obtained a grant through Pioneer Hi-Bred for the purchase of two first responders kits and an extra \$150 to support the purchase of additional supplies. Brian has ordered the kits and we will see them soon.

Get Your ID Card

The ID layout is done. John has one deputy who is responsible for making the ID cards. John has asked him to be available to make ID cards for the team on Feb 10th between 4pm and 5pm. ID cards will be issued to **certified members**. If you can make it to the jail between 4pm and 5pm on Feb 10th, Jeremy has a list of certified members to make the cards.

If you can't make it on that date, I have a list of times that Jeremy is on duty. Call me.

Here is the current list of certified members. Please let me know if there needs to be changes made:
